

**CREATIVITY.
CONSISTENCY.
CONNECTIONS.**

For each of the marketing items shown, rate your business from 1 to 5. 5 means you're doing great. 1 means you could use a little help. Start with your logo.

Is it **creative**?
Is it **consistent** with all your other branding?
Is it current and does it inspire **connections** for your customers?

Continue around the circle and repeat this for each item. Then, connect the dots you filled in to create a circle.

**If your circle were a ball, could it use a little air?
Let's talk. We'd love to get the ball... bouncing!**
